JUNE, JULY-2023

(Secondary)

Telangana Formation Day

"Unity is strength. When there is teamwork and collaboration, wonderful things can be achieved."

The youngest state of our country, Telangana turns a year older. We celebrated Telangana Formation Day on 2 June 2023 with gaiety through a special assembly. The assembly commenced with hoisting of our Indian Flag, followed by speech, songs and a presentation on all major developments in the State. The gathering was addressed to cherish, remember and take pride in the rich culture and heritage of the State. The skills of its people are greatly admired. Our best wishes for the continued growth and prosperity of Telangana.

Inception Day

Shri.S.R.N. Mudiraj -Founder Chairman

"There are no secrets to success. It is the result of preparation, handwork and learning from failure."

The atmosphere at our School was filled with ebullience as we celebrated the Inception Day of our School on 5 June 2023. The students and staff came together to commemorate the establishment of our beloved Institution with a great excitement. The Head Boy and the Head Girl during the assembly, highlighted the achievements of the school over the past years. The Inception Day celebration not only marked a milestone in the school's history but also the success of a shared journey of learning and growth. It instilled a sense of pride and belongingness in the school community.

Environment Day

"Let's nurture nature to have a nurturing future."

As a step towards inspiring and educating children to take up the responsibility of our Mother Earth, World Environment Day was celebrated on 5 June 2023 with great zeal and enthusiasm. The Eco club of our school conducted a special assembly with the theme "Environment Day - Beat the Plastic Pollution," in order to raise awareness about environmental issues and promote global action to protect our planet. Various activities like Best out of waste, poster making, debate, discussion and elocution were organized. The program concluded with an awareness note to join hands and take positive steps towards environmental sustainability.

NCC

"Unity and Discipline"

The school has reached yet another milestone by hosting a prestigious National Cadet Corps Camp from 2 June 2023 to 12 June 2023.

The camp aimed at instilling values of discipline, leadership and patriotism among the participating cadets. It witnessed a zealous participation of more than 500 Cadets from various neighbouring schools and colleges. Under the able guidance of Commanding Officer Colonel Praseon Nath, 1 Telangana Bn NCC, ANO's and other NCC officers, the young cadets were exposed to a wide range of activities designed to challenge their physical and mental capabilities. The cadets were engaged in a variety of activities that tested their endurance, teamwork and problem-solving skills. Kudos to Veda Dhruv of Grade IX from JGS for being awarded as the best cadet in the camp.

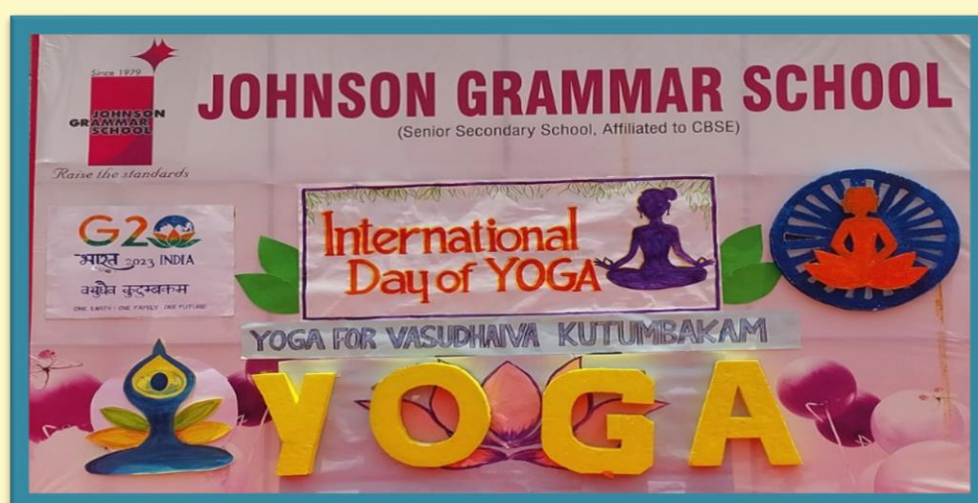

International Yoga Day

"Yoga for Vasudhaiva Kutumbakam-Har Aangan Yog."

Yoga - the traditional art of physical, mental and spiritual wellbeing is originated in India and is helping people to lead a healthier life. Yoga helps in managing stress levels, build immunity and strong physical and mental health. Our Johnsonites celebrated International Yoga Day on 21 June 2023, highlighting this year's theme, "Yoga for Vasudhaiva Kutumbakam-Har Aangan Yog."

The entire school community gathered on the spacious grounds, where colourful mats were laid in neat rows. It was so fascinating to see Johnsonites presenting Natyobics - an innovative combination of dance and aerobics. The atmosphere was filled with serenity and positivity as everyone performed different yoga asanas and Surya namaskars, focusing on breathing and mindfulness. It was a remarkable celebration that fostered unity, well-being and a deeper understanding of the ancient practices of yoga.

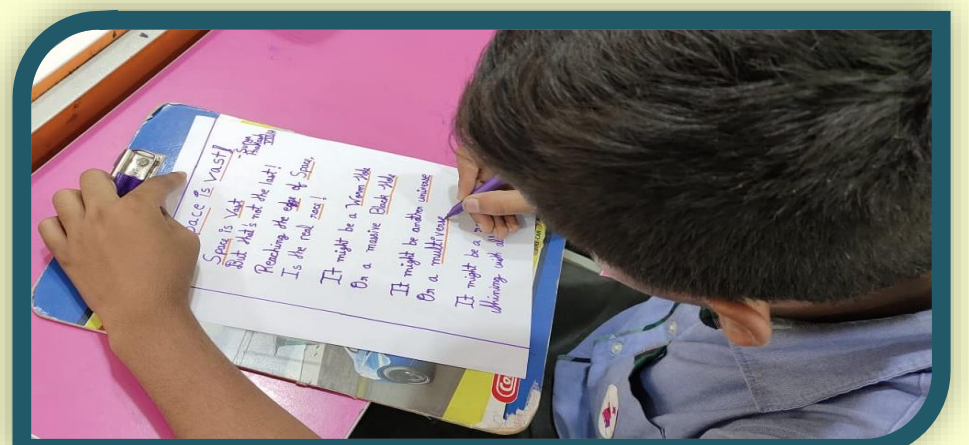

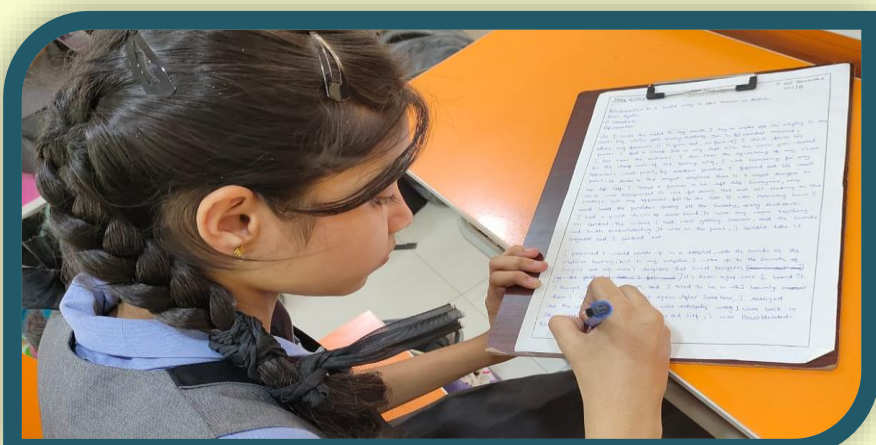

Reading Week

"There is no friend as loyal as a book."

Reading Week is an eagerly anticipated celebration in our school that aims to promote the love of reading and enhance students' literary skills. This enriching event encompasses a rich tapestry of activities that inculcate curiosity for literature, nurture creativity, develop critical thinking skills and enhance communication abilities. As a part of this Reading Week, the literary club organized competitions related to various genres of literature like essay writing, poetry writing, elocution, story-writing, debate and quiz from 19 June 2023 to 24 June 2023. The students participated in all the events very enthusiastically throughout the week and were delighted to receive the prizes. Through essay writing, poetry writing, story writing, elocution, debate and quiz, the participants embarked on a literary journey that expanded their horizons and empowered them to become lifelong readers and learners.

Bonalu Celebrations

"The greatness of a culture can be found in its festivals."

The Cultural Club celebrated the traditional and vibrant 'Bonalu' festival with gusto in the school premises on 24 June 2023. The festival is considered as a form of thanksgiving to the Goddess after the fulfilment of the vows during the month of Aashadam. On the occasion of Bonalu festival, the cultural club organized activities such as monologue, singing and dancing. The girls draped themselves in the traditional attire and the boys were seen in 'Potharaju' costume that depicted the Telangana's rich culture and heritage. It was delightful to see the Potharaju - a cynosure to the eyes, dancing to the tunes of traditional songs.

Art Mela

"The creative art is the measure and reflection of our civilization."

In a whirlwind of colours, shapes and artistic brilliance, our school has hosted an extraordinary event "ART MELA" on 6 July 2023. The Art Mela was a visual feast for the senses, with each corner of the exhibition hall adorned with captivating artworks that spanned a myriad of styles and mediums. From breathtaking paintings that captured the essence of nature to intricately crafted sculptures that seemed to come alive, every piece was a testament to the boundless creativity of our young artists. It provided a platform for students to showcase their talents, and their dedication and passion were palpable in every piece of display. As the event concluded, there was a sense of awe and inspiration lingering in the air. It has not only unleashed a burst of creativity within our school but also left a profound impact on all those who attended. Kudos to all the budding artists for making this event a resounding success.

Anusuya Trophy-An Inter-School Art and Craft Competition

"Craft is the visible edge of art"

On the occasion of birth anniversary of Smt. Anusuya Garu, JGS-Nacharam hosted an extraordinary showcase of artistic brilliance, Anusuya Trophy - An Inter-School Art and Craft Competition that left the attendees awestruck. Students from twin cities came together on 13 July 2023 to demonstrate their creative prowess, turning the campus into a vibrant hub of inspiration. Renowned artists and art experts, Ms.Sweta Pavan and Mr. Venkatesam were the judges for the day. They evaluated each submission carefully based on criteria such as originality, technique and artistic vision.

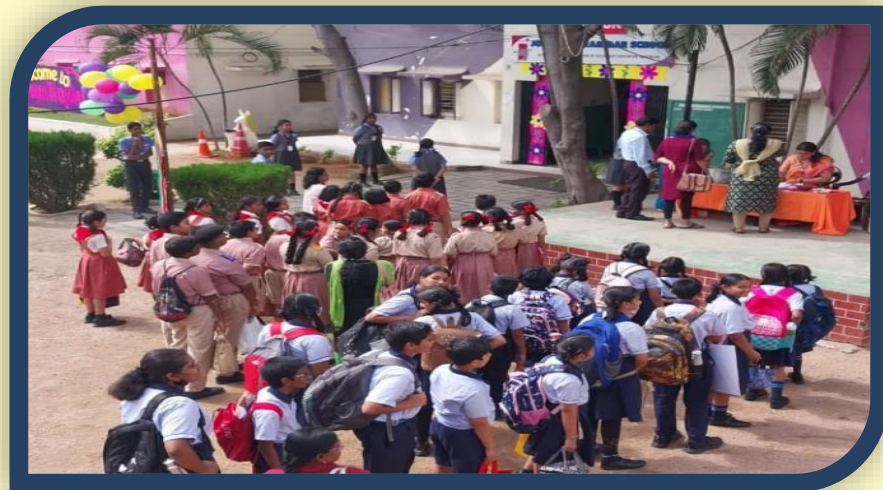

The event served as a testament to the power of creativity, inspiring young minds to embrace their artistic aspirations and venture into new realms of imagination. The competition concluded with an inspiring craft exhibition, allowing the attendees to marvel at the remarkable works of art and craft on display. The atmosphere buzzed with excitement as students, parents and teachers commended the exceptional creativity and passion exhibited by the participants.

We commemorate the extraordinary life of Smt. Anusuya Garu whose philanthropy and artistic brilliance left an indelible mark. Let her Legacy of compassion continue to inspire us to create a brighter future, where kindness and artistic expression pave the path to a more vibrant and inclusive world.

Smt. Anusuya Garu

Van Mahotsav

"Trees are our roots of Existence"

Van Mahotsav-The Festival of Trees is an annual event celebrated in India to promote the importance of forests and tree plantation. Trees play a crucial role in mitigating the impacts of climate change by absorbing carbon dioxide from the atmosphere and by producing oxygen. In lieu of this, Science Club has conducted various competitions like debate-Landfills Vs Incineration,

Slogan Writing -Tree is Life and Green rally for a sustainable environment. The green rally organised during Van Mahotsav brought students to march together in support of environmental conservation. The lively atmosphere of the green rally instilled a sense of unity among all of them. The winners in various categories were awarded with trophies, medals and certificates.
