BATHUKAMMA PARENTS CLUB Blooming Blossoms Everywhere !!!

Bathukamma is a vibrant floral festival celebrated in Telangana, symbolizing the beauty of nature. Pre Primary Parent Club celebrated Bathukamma to bring the parents close to the school and its various activities, Various events like the special traditional walk of mom and children with the same attire, followed by arranging flowers for making Bathukamma, the event also included the Garba, Bathukamma dance, which was a treat to the eyes.

Every flower is a soul blossoming in nature, as in the school's relationship with the Parents. The dances accentuated the festive mood symbolizing the zeal and undaunted spirit of JGS.

DUSSEHRA CELEBRATION Peace and Victory

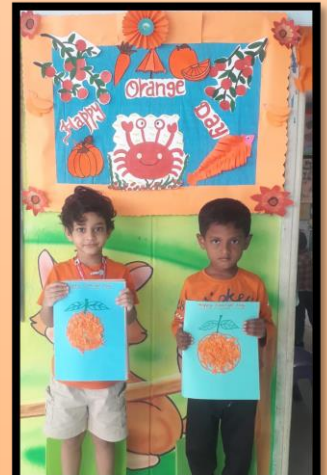

Pre-primary children celebrated the spirit of Dussehra and the vibrant Bathukamma festival at the school. Little ones embraced tradition with joy and enthusiasm. Children celebrated the victory of good over evil reflecting on the power of courage and resilience. The celebration manifested the eminence of nature, the united spirit of the Johnsonites, and the audacious fervor of the teachers and students.

TINT OF CHROMISM -ORANGE DAY Embrace the Zest of Orange

Orange is fun, energetic, spontaneous and dynamic color that radiates warmth. It's a colour that resonates with young people, encourages and enhances creativity.

Our little stars were dressed in shades of orange shining brightly. A dynamic and stimulating learning environment was created to explore their imagination and creativity through tearing and pasting activity of orange which helped in developing eye - hand coordination. Tiny tots celebrated Orange Colour Day with great zeal and zest.

DIWALI CELEBRATION

Go Green, Glow Bright!"

Diwali, the festival of lights, is a time for joy, celebration, and togetherness. However, the excessive use of fire crackers and plastic decorations can harm the environment and put our safety at risk.

The tiny tots Pre-Primary section enthusiastically celebrated Green Diwali, spreading awareness about the importance of environmental conservation. This festive occasion was marked by creative drawing and coloring activities, showcasing the imagination and talent of our little artists.

FUSION FUTURISTS SOCIO SCIENCE EXHIBITION

The Socio - Science Exhibition is the showcase of scientific experiments, models, and projects and also sheds light on the social, cultural, historical, geographical, and economic aspects. It is a platform where creativity, innovation and knowledge converge. Every Johnsonite participated in the event, and every corner of the primary block was bright and colorfully decorated and had been given a life. Students of Pre Primary took part in various topics like Toy Based Learning, Puppets, Enactment of Rhymes, Role plays of Community Helpers, and Animal Bird Sanctuary.

The Socio - Science Exhibition of this year was a phenomenal success. As science exhibitions make learning enjoyable and exciting cultivating a love for learning at an early age. When children find joy in scientific concepts, they are more likely to develop a lifelong interest in the subjects
