

DUSSEHRA CELEBRATION A Cultural Extravaganza

Dussehra, one of the most significant festivals in India, symbolizes the victory of good over evil. To preserve and promote the cultural heritage of festivals like Dussehra. Teachers instilled moral values and offered a platform for students to learn about and appreciate Indian traditions. Dussehra celebration not only creates a festive atmosphere but also serves as a means to educate students about the rich mythological stories behind the festival. The students of Grades I and II participated in creative activities like Bathukamma making with beautiful flowers, and Dandia making with colorful papers. The corridors were beautifully decorated with Dussehra-themed charts which brought a vibrant festive look to the classes. Students dressed in traditional attire danced joyfully to the traditional songs of Dussehra and created an elegant atmosphere in the school campus.

'FUSION FUTURISTS' SOCIO - SCIENCE EXHIBITION

Somewhere, something incredible is waiting to be known

The socio science exhibition 'Fusion Futurists' turned out to be a remarkable event this year, leaving students, teachers, and parents alike brimming with excitement and a newfound appreciation for science and innovation, held on 29/10/2024, this exhibition served as a platform for young minds to showcase their creativity, problem-solving skills, and passion for science.

Students of Grades I and II participated enthusiastically. The projects included Earth, The Five Elements of earth, Conservation and Preservation, 4 R's, and many more.

Parents expressed pride and delight at the innovative ideas presented by the students.

The event successfully sparked a love for science in young minds and encouraged students to think beyond textbooks and embrace a hands-on approach to learning. It was a day filled with learning, inspiration, and excitement, leaving everyone eagerly looking forward to next year's exhibition.

DIWALI CELEBRATION Festival Of Lights and Unity

Diwali was celebrated joyfully in the school premises with vibrant colours, joyous music, and a spirit of togetherness and embracing the warmth and cheer of this special occasion. The school was beautifully decorated with colourful rangolis, intricate paper lanterns, and strings of fairy lights that illuminated every corner, creating a festive ambience. Students of Grades I and II participated in adorning classrooms and hallways, showcasing their creativity with handmade decorations.

Amid the celebrations, teachers emphasized the importance of celebrating Diwali in an environmentally friendly way. They encouraged students to avoid using firecrackers and instead celebrate with diyas and eco-friendly decorations. Special presentations highlighted the harmful effects of pollution and promoted ways to enjoy a "Green Diwali" that respects both cultural values and the environment. The event left everyone in high spirits, looking forward to a Diwali filled with light, love, and harmony.
