

NATURE WALK

A quiet walk with mother nature nurtures our mind, body, and soul.

The pre-primary students embarked on a delightful field trip to a Nature Park, where curiosity bloomed and little hearts brimmed with excitement. From the moment they set off, the children's eyes sparkled with anticipation, ready to explore the wonders of the great outdoors.

As they arrived, the park welcomed them with vibrant flowers in full bloom, cheerful birdsong echoing through the trees, and butterflies dancing in the air. The fresh breeze and open green spaces created the perfect setting for joyful learning and play.

Under the watchful care of their teachers, the children engaged in a range of interactive activities – from collecting leaves of different shapes and sizes to listening to enchanting stories beneath the shade of tall trees. Giggles and laughter filled the air as they ran barefoot on the soft grass, played on the swings, and soaked in the beauty of their natural surroundings.

This enriching outing wasn't just fun – it also reinforced classroom learning. The children proudly identified birds, animals, and plants they had previously learned about, connecting names to real-life sights with wonder and enthusiasm.

It was a day of discovery, play, and connection with nature – an unforgettable adventure that left behind cherished memories and smiling faces.

RAINBOW COLOUR DAY

"Inside every child is a rainbow, waiting to shine."

Rainbow Colour Day was a delightful celebration for our little pre-primary learners—a day filled with joy, learning, and a kaleidoscope of colours. Dressed in bright, cheerful outfits, the children immersed themselves in the vibrant world of the rainbow, engaging in a variety of fun and meaningful activities. Through hands-on experiences like colouring and creative play, the young ones explored the magic of colours while developing their fine motor skills and expressing their budding artistic talents. The day was more than just colourful—it was a beautiful reminder of unity, inclusion, and the joy that comes from embracing diversity.

Laughter echoed through the classrooms as tiny hands worked on rainbow-themed crafts, and curious eyes lit up with wonder. Rainbow Colour Day not only brightened our school but also left a lasting impression on every child's heart, making it a truly unforgettable celebration.
