

FLORAL FESTIVAL

Bathukamma, the colorful floral festival of Telangana that symbolizes culture and identity has been celebrated at JGS with grandeur and enthusiasm amidst the lush green nature in the campus on 13th October. The Teachers and the students emblazoned the premises with beautiful, exotic flowers. The celebration manifested the eminence of nature, united spirit of the Johnsonites, and the audacious fervor of the teachers and students. Teachers and students actively participated in the Bathukamma flower decoration followed by the dance of the gorgeously dressed students for the resonating Bathukamma songs. The dances accentuated the festive mood symbolizing the zeal and undaunted spirit of JGS.

GREAT SONS OF MOTHER INDIA

“Happiness is when what you think, what you say, and what you do are in harmony.”

Every year on October 2nd, we commemorate the birth anniversary of M.K. Gandhi and of Lal Bahadur Shastri. On this occasion, Pre-primary teachers gave a brief explanation about the significance of Swachh Bharat Abhiyaan. - (Green India, Clean India). During the celebration students repeated the slogan on Swachh Bharat and the children were exposed to a series of creative activities in scrapbook and drawing book.

The Joy of Toy Based Learning.

Puppetry is a traditional form of entertainment which combines live music and storytelling. A puppet show was organized for the students of Pre-primary. The show was organized by the Language Teachers (Telugu, Hindi). The Language Teachers explained the story by using hand made puppets. The show had more than 15 characters which included animals from the wonder world like rabbit ,deer ,zebra ,giraffe, fox , bear, lion. Our students were enthralled to see their favorite characters puppet show . It was a unique learning experience for our students. They thoroughly enjoyed watching the puppet show.

FUN, LAUGHTER AND JOY

In JGS, we follow that ,Just education is not enough , children must have sunshine, freedom and play time. A picnic was organized for the Pre-primary Super-kids on 5th October to Sim & Sam play town . Children enjoyed by playing, dancing and spend a 100% Gadget free quality time. The playing equipment's like Volcano Slide, Drop Slide, Jungle Maze, Pedal Car Circuit and The Ninja Circuit looked thrilling for the tiny ones. Each venue is designed with different themes, making them attractive for the children. Pre Primary students spent hours of vigorous play and physical activity, stimulating motor skills , social, emotional, physical and cognitive development.

Autumn has arrived..to celebrate the Orange Day !!

Unity in diversity marks the celebration of orange day...!!
Tiny tots in orange radiated warmth and happiness, combining the physical energy and stimulation of red with the cheerfulness of yellow.

The children of Pre-Primary wing celebrated Orange Day with a sole objective to acquaint the little ones with the concept of this secondary colour and objects related to it. The children were exposed to a series of creative activities from origami crabs to collage of fruits. Tiny Johnsonites enjoyed a lot and it was indeed a pleasure to witness little ones dressed up in orange bubbling with energy and fascination. In a nutshell, the purpose of this activity was fulfilled with each and every child emitting enthusiasm, vigor and zest.

Moms' Club: Kuch Meetha ho jaye !!

"The earth laughs in flowers."

Mom's Club at JGS honours the enduring relationship between a mother and her child. We celebrated mom's club in our school by inviting all the mothers of the students. The purpose of this elaborate event was to bring the parents close to the school and its various activities like making sweet dish in 5 minutes and arranging flowers for making Bathukamma (by mothers) were the part of this memorable event. These activities helped to honor the greatness and gratitude towards all mom's. Every flower is a soul blossoming in nature so is the relationship of the school with Parents.

HARVEST BASKET

"Farming is a profession of hope."

'Farmers Haat' is usually termed to an open market where local farmers (producers) and customers from other places can transact. To honour the farmers' labour of love, we held a "Farmers Haat Activity" in school at the Pre Primary wing. Students were dressed like farmers and they solemnly did justice to the role they played as they brought veggies, fruits & flowers for the activity. By emulating a market, they pretended to be vegetable sellers. Students learned from this that farmers are the ones who grow the food we eat. Jai Jawan Jai Kisan !!
