Raise the standards

CIRCLE TIME

"Brings the right blend of Structure, Enjoyment & Learning"

Self love is the key to a joyful life & Family makes the structure of personality.

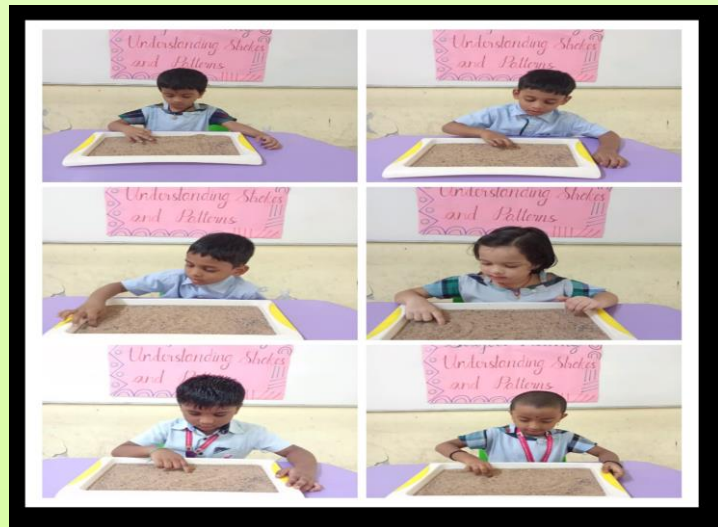

A Welcome Assembly to mark the beginning of the session was conducted by teachers.

In our Pre-Primary, students engage in self-explanatory & self-awareness (happy hands) program along with the Star Badge as a token of Appreciation.

KINESTHETIC ACTIVITY

Understanding strokes and patterns is indispensable across diverse domains, having an integrated approach to learn about skills and coordination. Our school follows holistic pattern of education which combines curricular and co-curricular activities so that the growth encompasses mental, physical and social aspects of its students. We believe in imparting quality education that goes beyond the text books. Students of Pre Primary participated in different activities like the basic strokes, pencil control activity to name a few. It was delightful to watch their tracing skills on different patterns. This exercise laid emphasis on their finger dexterity and eye-hand coordination.

SUMMER TIME

Beat The Heat - "Hit A Six To The Summer Fix!!"

Summer is heating up and that means everybody is looking for ways to cool down. Teachers of Pre Primary explained the students that to be healthy and safe if they stay indoors during hot days and keep themselves cool by wearing cotton clothes and drinking healthy juices and eating fruits. In this regard the teachers conducted an activity of "LEMONADE" to help students keep their body hydrated. To add more chill to the day students wore caps, sunglasses and prepared lemonade with the help of their teachers. They enjoyed the activity and finally our Johnsonites paved the way to beat the summer heat.

EASTER CELEBRATION "Hatching smiles this Easter!"

EASTER CELEBRATION- RISE OF HOPE AND HAPPINESS ..

Our country India is known for the festivals, culture and traditions. To enable the students acknowledge the importance of Easter festival, our teachers conducted a special collage representing bunny and eggs which leads to the concept of new born. Students made creative and aesthetic cards bunny and egg hangings with their own artful techniques which made their classroom look brighter. Through this activity children understood that it represented new life and rebirth of Jesus Christ as the custom followed to celebrate Easter.

HOLI CELEBRATION

"Let the colors of joy paint your world! Happy Holi!"

"Let's paint the town red, blue, green, and every color! Happy Holi !! Holi is celebrated as the victory of good over evil. It marks the rest and renewal of ruptured relationships by ending all conflicts and ridding oneself of ill feelings accumulated from the past. Our Pre Primary students celebrated with fun and fervor with hand print activity with the help of teachers. The spirit of Holi taught the students to follow good conduct in life and believe in the virtue of being truthful and honest.

RAMADAN CELEBRATION

“Embrace the blessings of Ramadan’s glow.”

Ramadan is a time for unity and togetherness. Let’s celebrate this day with love and harmony. At the foundation stage students celebrated the Festival with a lot of zest and fanfare. The celebration was an earnest attempt to imbibe in our learners the concept of Unity in Diversity. The children were made cognizant of the fact that it is a festival of prayers, joy, brotherhood and charity. Our little Johnsonites made handmade Greeting cards on the occasion of Ramadan. The spirit of Eid was well imbibed by the students and also helped them to instill the ethical values of brotherhood and harmony.

HAPPY UGADI AND YELLOW COLOUR DAY New Beginning New Hopes

Fostering Community Spirit and Cultural Diversity- The traditional New Year Celebration. The school was embellished with Mango leaves and flowers in traditional form. The corridors and boards were set in a very traditional manner with mango fruits and leaves decking up the entire place. Students wore traditional Telugu dresses reminiscent of the authentic festival. Students of Pre Primary participated in different activities as the atmosphere resonated with joy and excitement of YELLOW COLOUR DAY as it was celebrated with the festival UGADI where the Yellow colour is appreciated in nature. The festive celebration at our school holds profound significance in nurturing a sense of belonging, pride, and respect for cultural diversity.

RAMA NAVAMI

One who is virtuous and wise

Jai Shree Ram Here's hoping that our heart and home be brightened with divine blessings of Lord Rama.

Our munchkins of preprimary celebrated as the school's commitment to cultural enrichment and spiritual values, and our students were engaged in activity of making and coloring a "DHANUSH" which reflected upon their fine motor skills as DHANUSH represents focus and aim.
