INTERNATIONAL DAY OF HAPPINESS

"Happiness is when what you think, what you say, and what you do are in harmony."

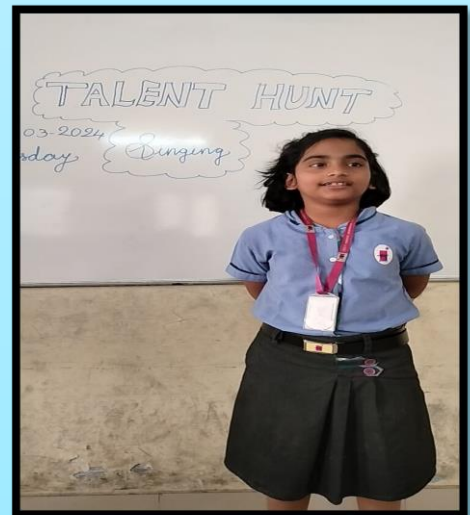

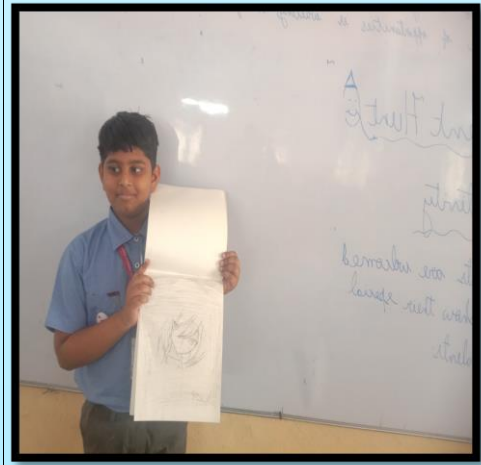

To remark the happiness and spread the positive vibrations throughout the world the Johnsonites celebrated International Happiness Day on 20th March, 2024. As a part of school assembly, students displayed happy notes with a motivational thought and a new word related to happiness and the inspiring and energetic speech was given by the students highlighting the importance of being happy and sharing happiness. The assembly ended with a cheerful smile on the students faces. Students enjoyed the assembly and understood the importance of being happy and making others happy.

It was also the first day of the School for the new admissions where the students understood about the school rules and regulations. The students enjoyed their first day of school by spreading the Happiness.

JGS TALENTINO

The Student Activity Talent Hunt is to provide students with a conducive environment to express themselves, explore their interests, and unleash their potential. By encouraging participation across various disciplines, the event aims to promote inclusivity, teamwork among students.

Welcome to School

“Wishing you a school year filled with new discoveries, joys, exciting challenges and amazing opportunities”

Our Johnsonites were welcomed with heartfelt warmth by their teachers on the first day of the new academic session 2024-2025 with full energy and excitement. As the students and teachers embark on this fresh journey together, they embraced the opportunities that lie ahead with zeal, enthusiasm and a thirst for knowledge. They work collaboratively to foster a campus culture that is compassionate, inclusive, supportive and safe. Johnson Grammar school is a place where students celebrate differences and learn from the variety of perspective represented in our vibrant community.

Our Grade III Johnsonites took active part in making beautiful butterfly welcome handouts. They enthusiastically introduced themselves and interacted with their peer group and teachers. They were very curious to know about new friends, school campus and playground. Creative butterfly -themed handouts were very wonderfully done by our Johnsonites. This activity was to engage our students in learning by doing and also develop fine motor skills.

It was overwhelming day for the Johnsonites. School Plays a critical role in child’s development. It provides a supportive and safe learning environment and exposes children to learn new subjects and experiences. a word or alphabetic coding and develop logical reasoning. Children then match numbers with letters according to the rules.

BEAT THE HEAT Let's Melt The Sun On Ice!

"Beat the heat: where every drop of water holds a promise of refreshment and every laugh creates a breeze of joy."

Making lemonade is a classic summertime activity that kids of all ages can enjoy. Not only is it deliciously refreshing, but it also teaches valuable skills like following instructions, measuring ingredients, and teamwork. With just a few simple ingredients, kids can whip up a batch of homemade lemonade that's sure to quench thirst and bring smiles. Students of Grade IV and V participated in the activity, which demonstrates the power of hands-on learning. So, raise a glass to student-made lemonade—a refreshing blend of education and enjoyment!

Easter Activity Eggcellent Time!

Easter is a widely celebrated festival in many parts of the world. Teaching students about Easter traditions and customs fosters cultural awareness and understanding of diverse practices. Easter-themed activities allow students to express their creativity through art, crafts, and other projects. This promotes imaginative thinking and self-expression.

Our Grade III Johnsonites participated in making their DIY Easter egg activity participating in Easter activities promoted social interaction and teamwork among students. It also offered opportunities for discussing topics like sharing, kindness and gratitude, which are often associated with Easter celebrations.

Overall, teaching Easter celebrations through activities provided a holistic learning experience that combined cultural understanding, creativity, social development, and academic engagement for primary students.

EARTH DAY No Dirt This Is My Earth!

Celebrating World Earth day in schools help children understand the importance of environment from an early age. It instills values of conservation, sustainability and responsibility towards the planet they inhabit. It also inspires them to take action and make positive changes for the healthier Earth in the future. Grade III students were given the opportunity to unleash their creativity. They participated in 'Earth day poster making activity'. They used their drawing books to illustrate the Earth above human hands by drawing the figure and colouring innovatively which was fun and educational. It was a colourful image of nature, recycling symbols and messages about protecting the planet. By this activity students had learnt that " Every day is a Earth day ". Through the process of making posters students became more aware of environmental issues and the impact of human actions on the planet, fostering a sense of responsibility and visualizing a clean and green planet.

EID MUBARAK

“Ramadan is a month of self- discipline, time of reflection, forgiveness, kindness, abundant blessings and spiritual growth.

Eid brings us closer together and fills our hearts with happiness and harmony. With the same beautiful thought, our Grade III Johnsonites immersed themselves in the joy the Greeting Card Making and sharing the note to all that WE ARE ONE. Children celebrated happiness and acknowledged the fact that it is a festival of prayers, joy, brotherhood and charity.

UGADI - THE NEW BEGINNING

“Ugadi teaches us that life has many flavours and we must embrace every flavour gracefully .”

A year filled with abundant blessings and opportunities. Our Grade III Johnsonites celebrated Ugadi as it reflected on the joyous moments for the coming year and it reminded of the richness that diversity brings to our lives and the collective strength derived from embracing our differences with open hearts and minds. Students of Grade III participated in Mango Leaves TORAN making activity which is used for décor of doors for the New Year ahead and also decorated a Pot of happiness.

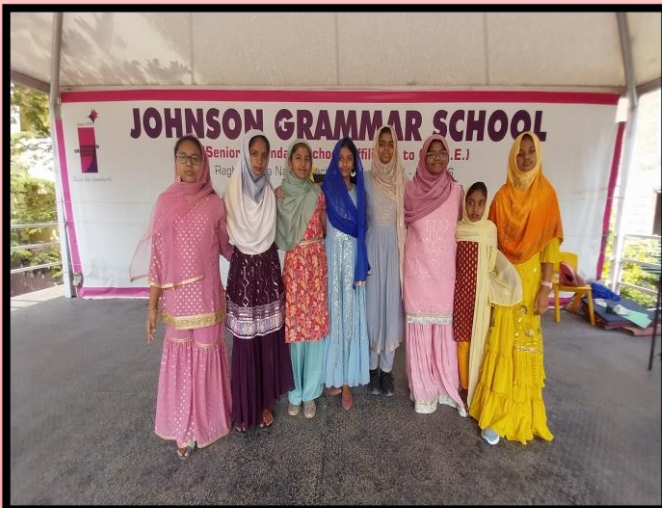

The festive celebration at our school holds profound significance in nurturing a sense of belonging, pride and respect for cultural diversity.

A SPECIAL ASSEMBLY - RAMADAM CELEBRATIONS

“Ramadan is a chance to build habits that will last a lifetime.”

The special assembly was conducted by students of Grade VII where the students understood a sense of peace and reflection. Students and faculty gathered in unity, embracing the spirit of compassion and gratitude. Presentations highlighted the significance of Ramadan, emphasizing its values of charity, empathy, and spiritual renewal. Traditional music filled the air. Attendees shared heartfelt reflections on the blessings of Ramadan, fostering a sense of community and understanding. As the assembly concluded, smiles and embraces symbolized the bonds strengthened by this joyous occasion.

RAMANAVAMI' - A SPECIAL ASSEMBLY

"On this auspicious day, Lord Rama's grace bring peace to your home and tranquillity to your soul."

A vibrant assembly resonated with joyous chants and rhythmic hymns, marking the auspicious occasion of Ramanavami. Adorned in vibrant attire, students and teachers alike gathered to honour the birth of Lord Rama, epitome of righteousness and valour. The stage bloomed with colourful decorations depicting scenes from the Ramayana, while echoes of devotional songs filled the air. Enthusiastic performances showcased the timeless virtues of courage, compassion, and devotion, inspiring all present. Through mesmerizing narratives and melodious bhajans, the spirit of unity and reverence thrived. As the assembly concluded, hearts brimmed with reverence, fostering a deeper connection to the divine essence of RamaNavami.
