JULY-2024

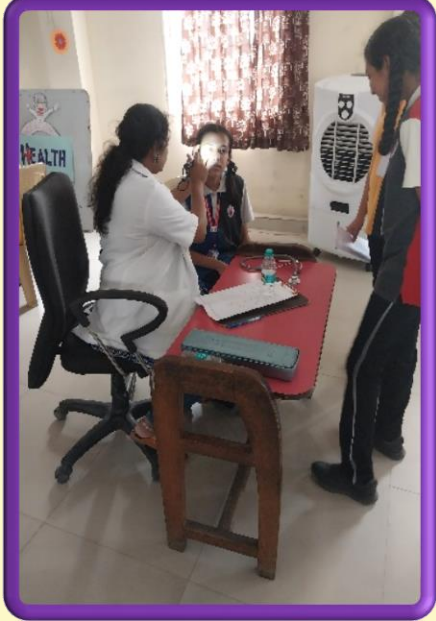

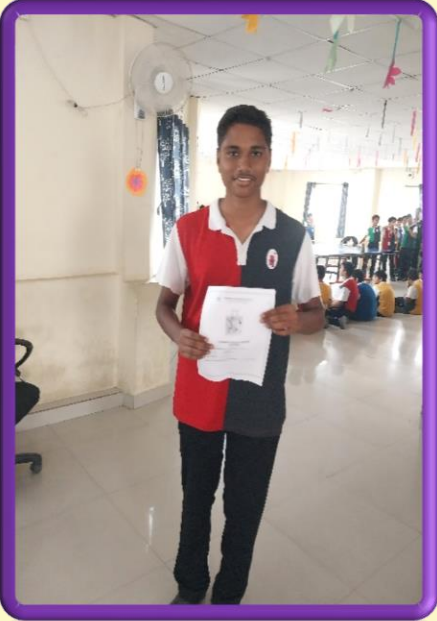

(Secondary)

National Doctor's Day

"Medicines can cure diseases, but only doctors can cure patients." National Doctors' Day was celebrated in our School, with great zeal on 1st July 2024. Teachers played videos on how the doctors dedicate their whole life to caring and treating us.

'Role of the doctor' activity was planned for students and Health Check-Up was organised in the school and a report of anecdote was maintained about their physical health and fitness. Students had a fruitful interaction with the doctors. It was an enriching experience for the students. It was indeed a wonderful day that was observed with a spirit of thankfulness and gratitude.

Vanmahostav

The Annual 'Van Mahotsav' Day was organised by the Johnsonites on 7th July 2024 in our school premises. The day was celebrated as part of the 'Go Green' initiative of the school committee. The event began with a simple, but effective speech about the importance of trees and several problems created by deforestation. The students were exhorted to understand and appreciate the role played by the planting and tending of trees in preventing global warming, reducing pollution, and promoting rainfall. The day witnessed planting of saplings and a role play where our high school students themselves dressed up like trees as part of Experiential Learning. Competitions like poster making, slogan-writing, and drawing were conducted on the theme 'The Importance of Trees in everyday life'.

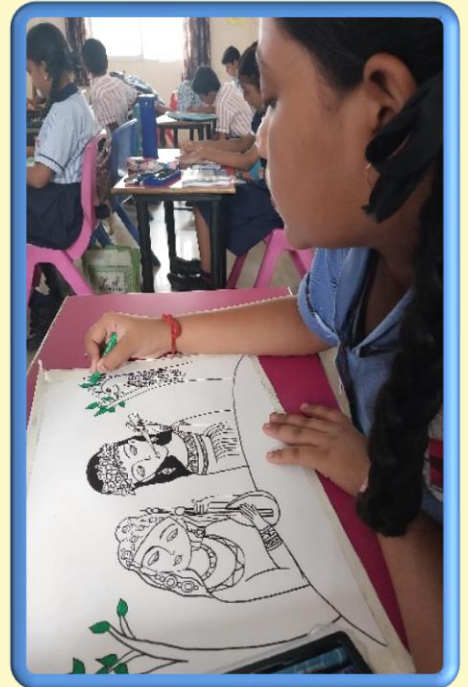

Smt. Anusuya Trophy Interhouse Art and Craft Competition

"The true power of art lies in its ability to ignite the imagination with the strength of a soul"
