FANCY DRESS COMPETITION

Fusion of cultures, honoring diversity.

A fancy-dress competition not only combines learning and enjoyment, but also helps children gain confidence by allowing them to speak in a group. It is a fantastic learning opportunity for students, giving them a platform to explore their hidden skills. Little butterflies of Pre Primary depicted traditional/seasonal attires from India, Sweden, and Afghanistan. The children participated enthusiastically and spoke confidently. Their simple comments and stage demeanor won over teachers and judges.

TEACHER'S DAY CELEBRATIONS

One Book, One Pen, One Child, and One TEACHER can change the world.

TEACHERS DAY is a very special occasion for everyone, especially for a teacher and a student. On this special day, we come together to celebrate Teacher's Day, who play an integral role in the child development and shaping the future citizens of the country. Our pre-primary children designed a beautiful hand impression card. This activity gave the young learners a meaningful opportunity to communicate their feelings creatively and thoughtfully, making Teacher's Day a memorable and cherished event filled with love and appreciation.

PURPLE DAY

“Purple: the color of magic and mystery.”

Every child's face reflected the spirit of the color- A Purple Delight. A free-spirited day for our children, and teachers as all came dressed in different shades of purple. The main aim of these 'colour days' is to help young students identify different colours. The bulletin boards of each class depicted things that are naturally purple like flowers, fruits, vegetables, butterflies, making the children aware of the different shades of purple. Colour recognition was taught by displaying purple-coloured items and encouraging the children to speak a few sentences on each object to develop their public speaking skills. Various activities were conducted like origami windmills, tulips, octopus, and many more. Purple Day celebrations prompted the young ones to think how colours enhance and influence our lives. It turned out to be a remarkable day filled with fun and enthusiasm.

GANAPATI BAPPA MAURYA!!!

Ganesh Chaturthi is a festival celebrated all over India with joy and full devotion. Lord Ganesh is looked upon as the lord of wisdom and knowledge. He is also known as 'Vighnaharta' the remover of obstacles. Our children invoked the blessings of Lord Ganesh, as the festival was celebrated in the Pre-primary with utmost devotion. Teachers imparted the message of Eco-friendly Ganapati to help preserve and protect Mother Earth as the tiny ones made tiny clay Ganesh Idols evoking love and dedication.
