## Spreading Love and Gratitude

**"Not all of us can do great things. But we can do small things with great love." – Mother Teresa**

On Mother Teresa's birth anniversary, our pre-primary students learned a beautiful lesson in kindness and gratitude. Inspired by her spirit of selfless service, the little ones made heartfelt thank-you cards for our beloved Ayaa Maas, the junior support staff member at our school, who cares for them with kindness every day.With bright smiles and tiny hands full of colors, the children presented their handmade cards, filling the air with warmth, appreciation, and joy. It was a touching reminder that even the smallest gestures of gratitude can bring immense happiness to others.
